

**VARIETY
BOYS & GIRLS CLUB
OF QUEENS**

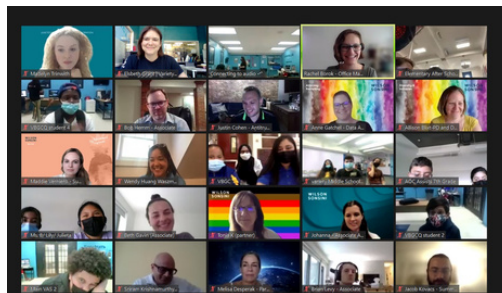

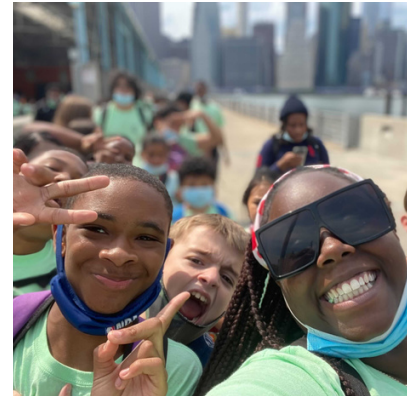

2021 IMPACT REPORT

It has been a year of growth for Variety Boys & Girls Club of Queens, from serving even more kids across the borough, to welcoming our new CEO, Costa Constantinides!

We now provide after school programs to over 1,000 youth per day across our six locations, including our newest Community School partnership with P.S. 112Q.

Club kids spend their days doing STEM with BioBus, participating in small group mentoring programs, playing basketball with CM3, getting one-on-one homework help, and much more!

Variety is excited to see where 2022 takes us!
